From the Principal

Did you know that March is national social work month? We are very lucky to have a fabulous social worker Ajla Zak. Mrs. Zak as well as her colleagues around the nation serve as advocates, champions and leaders to make our society a better place to live. School social workers are trained professionals who help with behavioral, academic and classroom support in consultation with teachers, parents and administrators. Mrs. Zak runs small groups with students ranging on topics such as making friends, grief and problem solving. She works with parents to access community resources when needed to reduce the barriers to accessing for students. Please take a moment to thank Mrs. Zak for her service to our students, families and community.

Student Enrollment 2018 – 2019

Last day of open enrollment is March 23rd.

Tip: If you apply **AFTER** the first enrollment period and have preferences, they will only be beneficial if there are still seats available in that school.

*Please visit <http://www.leeschools.net/studentopenenrollment> for more information on student assignment preferences.

THANK you!

SCPE had the opportunity to have FGCU men's soccer team join our 3rd grade students for lunch and a little fun in PE. We appreciate their time and leadership.

PTO News

A big thank you to all who supported our book fair this past week. We raised \$1,500 in Scholastic dollars for books to give back to our media center and classrooms. We wouldn't be able to do this without all our wonderful volunteers.
