### From the Principal's Office:

Thank you for your support and assistance in making the start of the school year a huge success. Our new dismissal process is working quite well. We are dismissing all students within 20-25 minutes! The teachers and students are working diligently to maintain an academic focus and make every moment count throughout the school day. I ask your help with a small, but important matter. Many students are tardy for school and missing important instructional time. As adults we are working to build lifelong habits for our students and being punctual is extremely important for success in life. Please make sure your child arrives by 7:45 each morning. It will allow your child to complete his/her morning routines prior to the 8:00 bell. This enables students to begin their day on a positive note. We all know that on days when we, as adults, are running late, it sets the tone for the kind of day we will have. I truly appreciate your help with this very important issue.

### ESE Department

SCPE is supporting the Autism Speaks Organization by participating in the Walk Now for Autism, a free family event at the Estero Community Park on November 7<sup>th</sup>. In addition to having a school-based walking team and the involvement of our dance team and chorus, we are holding a special fundraiser. We are selling paper puzzle pieces for one dollar. The children will bring in their dollar and get the paper puzzle piece to decorate any way they like. The puzzle pieces will then be displayed near the front office of school. All proceeds will go to the SCPE walk team for our donation to the organization. This event will start on September 29<sup>th</sup> and run until October 12<sup>th</sup>. If you are interested in joining the SCPE walk team please send a note to your child's teacher.
